Health & Fitness

Baby, it's cold outside! Warm up with some new fitness classes at the Pepper Pike Learning Center as well as some returning favorites.

Cynthia Chylik will teach three classes with us this winter including **Vinyasa Flow Yoga** on Thursday evenings, **Meditation** on Wednesday evenings, and **Yoga for Beginners** on Tuesday mornings. Discover the joy of movement in **Nia® Dance Fitness**, a blend of movements and concepts from modern dance, jazz, Tai Chi, Aikido and Yoga. A class is available on Monday mornings or Tuesday evenings.

We are pleased to welcome back the popular family program, **Parent/Child Yoga & Meditation** with Elizabeth Latimer on Wednesday evenings.

Healthcare providers can be recertified in CPR by registering for **CPR for Medical Professionals** on Thursday, 1/25 or Thursday, 5/17. You can learn to decipher food labels during **Nutrition Made Easy & Grocery Store Tour** on June 6 & June 13 with instructor, Vera Bartasavich.

The **Orange Senior Center** has a number of health, fitness and wellness classes so be sure to check out the Senior Adult section of the Winter & Spring activity brochure.

For more information on these and other classes, to view the brochure, or to register visit www.orangerec.com.

Learn About Drones for Fun & Profit!

Explore the opportunities available to you in one of the fastest growing new industries, Drones. Thomas Wasinski, CEO of Aerial Agents, LLC, Cleveland's top aerial photography company, will present two workshops this winter and again in the spring to show you the what you need to do to get started in this skyrocketing industry, or how to take your photographic skills sky high!

Join Tom on Tuesday, January 30 for **Introduction to uSAS Drones**. You will be introduced to topics such as what is a drone, terminology, different types of drones, practical and professional uses, third party software, how to prepare for Part 107 certification, laws and regulations, and do's and don'ts. If you can't make the winter class, the spring class is scheduled for April 17. The fee is \$139 for residents of the Orange School District or \$149 for non-residents.

Are you looking to boost your income through the use of your advanced drone technology? If so, Tom will present **Commercial Operations-Advanced Drones** on Tuesday, 2/6 and 2/13. This course is designed to prepare you to start your own drone service, to become the drone guru within your own company, or to help you toward a career using drone technology. You will learn about how to become a certified remote pilot, how to use this technology on a job site, the workflow for the collected data files, and how to identify new business opportunities. A spring class is scheduled for April 24 and May 1. The fee for the advanced class is \$269 for residents of the Orange School District or \$279 for non-residents.

Both classes take place at the Pepper Pike Learning Center on the Orange Schools campus from 6:30-8:30pm. Register at www.orangerec.com.

Take Digital Photos Like a Pro

Learn to get the most out of your Digital SLR camera with a class on f-stops and shutter speeds, focal lengths, and depth-of-field. Discover what it all means and take your photography to the next level. Your instructor is Will Goldstein, professional family photographer and owner of 45/90 Studio, LLC.

The winter session is scheduled for Thursdays, January 25-February 15. A spring class is scheduled for April 19-May 10. Both sessions will meet from 7:00-8:30pm at the Pepper Pike Learning Center on the Orange Schools campus. The fee is \$49 for residents of the Orange School District or \$59 for non-residents. Bring your digital SLR camera to class! Register today at www.orangerec.com.
